

## **DUMPS CONTAMINATING OUR WATER - all are closed unless indicated**

### **ARIZONA**

#### **PHOENIX**

Cave Creek Dump on Salt River  
Del Rio Landfill on Salt River

#### **TUCSON**

Broadway North Landfill - volatile organic compounds in groundwater  
Cactus Landfill on Rillito River  
Columbus Landfill on Rillito River  
Cottonwood Landfill on Santa Cruz River  
Harrison Road Landfill - volatile organic compounds in groundwater  
Los Reales Landfill - volatile organic compounds in groundwater  
Rio Nuevo Landfill on Santa Cruz River  
Silverbell Jail Annex Landfill - volatile organic compounds in groundwater and Santa Cruz River  
Tumamoc Landfill - volatile organic compounds in groundwater  
Walnut Landfill on Rillito River

### **CALIFORNIA**

#### **ALAMEDA COUNTY**

Verdese Park - plutonium sludge in Arroyo Seco Creek

#### **CONTRA COSTA COUNTY**

#### **ANTIOCH**

Municipal and private dumps on Markley Creek  
GBF Inc. Dump - cadmium, nickel, cyanide, volatile organic compounds in groundwater

#### **LOS ANGELES COUNTY**

#### **ALHAMBRA**

City of Pasadena Landfill on Alhambra Wash

#### **CARSON**

Gardena Valley Dump on Dominguez Channel  
Koerner Dump on Dominguez Channel  
Broadway-Main Company Dump on Dominguez Channel  
BKK Dump on Dominguez Channel  
Shell Chemical Dump on Dominguez Channel  
Southwest Steel Mills #1 Dump on Dominguez Channel  
Southwest Steel Mills #2 Dump on Dominguez Channel  
U. S. Navy Dump on Dominguez Channel  
Gardena Valley Dump #6 on Dominguez Channel  
Hardwick Disposal Pit #44 on Dominguez Channel  
Alameda Street Dump on Dominguez Channel

## **DUMPS CONTAMINATING OUR WATER - all are closed unless indicated**

### **CASTAIC**

Chiquita Canyon Landfill on Santa Clara River (still open)  
Wayside Honor Rancho Landfill on Castaic Creek

### **CERRITOS**

Fred Therist Dump on Coyote Creek  
Los Angeles County Road Dept. Dump on San Gabriel River

### **CITY OF INDUSTRY**

Puente Hills Landfill on San Jose Creek  
5<sup>th</sup> Avenue Dump on San Jose Creek

### **COMPTON**

Compton City Dump on Los Angeles River

### **COMPTON / RANCHO DOMINGUEZ**

San Carlos Street Dump on Los Angeles River

### **CUDAHY**

Cudahy Dump on Los Angeles River  
B. H. Steepleton Dump on Los Angeles River

### **CULVER CITY**

Larry Hetzler Dump on Ballona Creek  
Ward Disposal on Ballona Creek  
Wright Dump on Ballona Creek

### **DOWNEY**

Downey Dump on San Gabriel River

### **EL MONTE**

Theodore L. Vautherine on Rio Hondo River

### **GARDENA**

Gardena City Dump on Gardena Willows Wetland

### **GLENDALE**

E. L. Fleming Dump on Los Angeles River

### **GLENDORA**

Glendora City Dump on Little Dalton Wash

### **GRANADA HILLS**

Sunshine Canyon Landfill on Bee Canyon

### **IRWINDALE**

Alpha Pit on San Gabriel River  
Livingston-Graham/Duarte Disposal Site on San Gabriel River  
Calmat Reliance Pit #2 on San Gabriel River  
Owl Park II Dump on Rio Hondo River

## **DUMPS CONTAMINATING OUR WATER - all are closed unless indicated**

### **IRWINDALE (continued)**

Harold Simpson Disposal Site on Rio Hondo River  
Livingston-Graham Dump on San Gabriel River  
Irwindale Plant Pit on San Gabriel River  
Azusa Canyon Road Dump on Big Dalton Wash

### **LANCASTER**

Lancaster Landfill - volatile organic compounds in groundwater

### **LONG BEACH**

City Dump & Salvage Company Dump on Los Cerritos Channel  
Oil Operators, Inc. Dump on Los Angeles River

### **LOS ANGELES**

Amalgamated Oil Waste Dump on Los Angeles River  
Clifford L. Bush Dump on Los Angeles River  
Byson Dump on Los Angeles River  
City of Vernon Dump on Los Angeles River  
E. L. Fleming Dump on Los Angeles River  
Learida's Dump on Los Angeles River  
Sparks Pit on Los Angeles River  
Vernon Paving Dump on Los Angeles River  
Vernon City Dump on Los Angeles River

### **LYNWOOD**

Cortland Avenue Dump on Los Angeles River

### **MALIBU**

Juma Ranch Illegal Dump on Encinal Canyon Creek

### **MARINA DEL REY**

Dow Chemical Dump on Ballona Wetlands and Grand Canal  
Venice Dump in Marina and Duck Sanctuary  
Marina Del Rey Municipal Landfill in Marina and Duck Sanctuary  
Celery Dump on Ballona Creek

### **MONROVIA**

City of Monrovia Dump on Rio Hondo River  
El Monte Pit Disposal Site on Rio Hondo River  
Pasadena City Dump on Rio Hondo River

### **MONTEBELLO**

Agajanian Dump on Rio Hondo River  
State of California Division of Highways Dump on Rio Hondo River  
Montebello City Dump on Rio Hondo River  
Bell Holding Company Dump on Rio Hondo River

## **DUMPS CONTAMINATING OUR WATER - all are closed unless indicated**

### **PACOIMA**

San Fernando City Dump on Pacoima Wash  
City of San Fernando Dump on Pacoima Wash

### **PALMDALE**

Antelope Valley Public Dump on Anaverde Creek and California Aqueduct (still open)

### **PARAMOUNT**

Rullo Dump on Los Angeles River

### **PASADENA**

Pasadena City Dump on Arroyo Seco  
Atwood & Pursel Dump at Eaton Canyon Reservoir

### **SAN DIMAS**

San Dimas Disposal on San Dimas Creek  
Walnut Creek Dump on Walnut Creek  
San Dimas Community Dump on Raging Waters and Walnut Creek

### **SANTA CLARITA**

Sand Canyon Waste Disposal on Santa Clara River

### **SANTA FE SPRINGS**

Los Nietos Dump on San Gabriel River

### **SANTA MONICA**

Beverly Hills Dump - volatile organic compounds in drinking water aquifer  
Santa Monica Dump - volatile organic compounds in drinking water aquifer

### **SOUTH EL MONTE**

California State Highways Dump on Rio Hondo River

### **SOUTH GATE**

A. V. Hohn Dump on Los Angeles River  
California State Highways Dump on Los Angeles River

### **SUN VALLEY**

Sheldon-Arleta Dump - volatile organic compounds in drinking water aquifer  
Pendleton Dump - volatile organic compounds in drinking water aquifer  
Penrose Pit - volatile organic compounds in drinking water aquifer

### **TOLUCA LAKE**

Aqua Vista Debris Disposal Area on Los Angeles River

## **MARIN COUNTY**

### **BOLINAS**

Bolinas Abandoned Landfill on east shore of Bolinas Lagoon

## **DUMPS CONTAMINATING OUR WATER - all are closed unless indicated**

### **FAIRFAX**

Oak Manor Drive Dump - volatile organic compounds in groundwater

### **LARKSPUR**

Larkspur Disposal Site on Corte Madera Creek

### **MILL VALLEY**

Mill Valley Landfill on Sausalito Canal and Bothin Marsh

Cypress & Edgewood Road Landfill - dumped into reservoir

### **NICASIO**

Illegal Dump at end of Old Rancheria Road on Halleck Creek

### **NOVATO**

Redwood Sanitary Landfill on San Pablo Bay (still open)

Hamilton Field multiple dumps on San Pablo Bay

### **POINT REYES**

West Marin Sanitary Landfill on Tomasini Creek

Gambonini Mercury Mine on Salmon Creek

### **SAN RAFAEL**

Bellam Landfill on San Rafael Bay

Ghilotti Brothers Disposal Site on San Rafael Bay

San Quentin Disposal Site on San Rafael Bay

Smith Ranch Road Disposal Site on North Fork Gallinas Creek and San Pablo Bay

## **MENDOCINO COUNTY**

### **BOONVILLE**

Illegal dump on Ornbaum Road on Anderson Creek, a tributary of Navarro River

### **FORT BRAGG**

Glass Beach on Pacific Ocean

### **UKIAH**

City of Ukiah Disposal Site on Sulphur Creek, a tributary of Russian River

Coast Wood Preserving on Russian River

Low Gap Park Burn Dump on Orr Creek, a tributary of Russian River

### **WILLITS**

Church of Golden Rule Disposal Site on Forsythe Creek

## **ORANGE COUNTY**

### **ORANGE**

Yorba Street Dump on Santiago Creek

City of Orange Landfill on Santa Ana River

La Veta Burn Dump on Santiago Creek

## **DUMPS CONTAMINATING OUR WATER - all are closed unless indicated**

### **ORANGE PARK ACRES**

Reeve Pit on Santiago Creek

### **SAN JUAN CAPISTRANO**

Forster Canyon Landfill on San Juan Creek

### **VILLA PARK**

Villa Park County Dump on Santiago Creek

## **RIVERSIDE COUNTY**

### **CORONA**

Corona Disposal Site on Temescal Wash

### **Glen Avon**

Stringfellow Acid Pits - volatile organic compounds in groundwater and Pyrite Channel

### **Mira Loma**

River Ranch Illegal Dump Site on Santa Ana River

## **SANTA CLARA COUNTY**

### **MOUNTAIN VIEW**

San Francisco City Dump on wetlands and San Francisco Bay  
(now Shoreline Park, Shoreline Golf Links, Shoreline Amphitheatre)

## **SONOMA COUNTY**

### **HEALDSBURG**

Healdsburg Landfill on Russian River

## **VENTURA COUNTY**

### **PIRU**

Piru Dump on Santa Clara River

## **COLORADO**

### **ASPEN**

Smuggler Mountain mine tailings - cadmium in drinking water wells and Roaring Fork River

### **AURORA**

Lowry Toxic Waste Dump - radioactive waste and volatile organic compounds in groundwater

### **COMMERCE CITY**

48<sup>th</sup> Street & Holly Street Landfill on Sand Creek

### **DENVER**

Denver Radium Superfund Site on South Platte River - radium-226 and arsenic in groundwater

## **DUMPS CONTAMINATING OUR WATER - all are closed unless indicated**

### **ENGLEWOOD**

2 landfills beneath Englewood Golf Course on South Platte River

### **GOLDEN**

Rocky Flats Nuclear Weapons Facility - radioactive waste in groundwater

## **CONNECTICUT**

### **CANTERBURY**

Packer Road Landfill - volatile organic compounds in groundwater and Quinebaug River

Yaworski Waste Lagoon - volatile organic compounds in Quinebaug River

### **SOUTHINGTON**

Old Southington Landfill - volatile organic compounds in groundwater and Black Pond

### **STORRS**

University of Connecticut Landfill - volatile organic compounds in groundwater

### **STRATFORD**

Raymark Industries Dump - polychlorinated biphenyls, dioxin, asbestos in drinking water wells

### **TRURO**

Truro Landfill - trichloroethylene in groundwater

### **WESTPORT**

Westport Town Landfill - volatile organic compounds in groundwater and Saugatuck River

Imperial Avenue Landfill - volatile organic compounds in groundwater and Saugatuck River

## **DELAWARE**

### **ALBANY**

Albany Battery Case/Muncie Race Track Dump - trichloroethylene in groundwater

### **NEW CASTLE**

New Castle Municipal Landfill - volatile organic compounds in Upper Potomac Aquifer  
and Army Creek, which discharges into Delaware River

## **FLORIDA**

### **BALDWIN**

Yellow Water Road Dump - polychlorinated biphenyls, iron, lead in groundwater

### **FORT LAUDERDALE**

21<sup>st</sup> Manor Dump - volatile organic compounds, mercury, chromium, lead in groundwater

### **JACKSONVILLE**

Hipps Road Landfill - volatile organic compounds in groundwater

Pickettville Road Landfill - arsenic, benzene, pyrene in groundwater and Little Sixmile Creek

## **DUMPS CONTAMINATING OUR WATER - all are closed unless indicated**

### **NORTH MIAMI BEACH**

Munisport Landfill Superfund Site on Biscayne Bay.

### **ORLANDO**

City Industries Hazardous Waste Dump - volatile organic compounds in groundwater

### **PORT ST. LUCIE**

Port St. Lucie Municipal Dump - volatile organic compounds in groundwater

### **PORT TAMPA**

Manhattan Landfill, south of Interbay Boulevard, was formerly wetlands.

### **SEFFNER**

Taylor Road Dump, Hillsborough Heights Dump - volatile organic compounds in aquifer

### **TAMPA**

62<sup>nd</sup> Street Dump - cadmium, chromium in aquifer and Peninsular Fisheries breeding ponds

### **TEMPLE TERRACE**

Gulf Coast Recycling, Inc. Dump at 11110 North 56th Street - lead in groundwater

### **WEST PALM BEACH**

Dyer Boulevard Landfill (now Dyer Park) - runoff fills lakes that enter canal system of Palm Beach County

## **GEORGIA**

### **Fayetteville**

Fayette County Landfill - volatile organic compounds in groundwater

### **SANDY SPRINGS**

Morgan Falls Landfill on Chattahoochee River

## **IDAHO**

### **POCATELLO**

Brannock County Landfill - trichloroethylene in drinking water wells

## **ILLINOIS**

### **CHICAGO**

Pullman Railroad Company Dump - polycyclic aromatic hydrocarbons, DDT in groundwater

### **NEW MILFORD**

Pagel's Pit - volatile organic compounds in groundwater and Killbuck Creek

Acme Solvents Disposal Site - volatile organic compounds in groundwater and Killbuck Creek

### **WAUKEGAN**

Yeoman Creek Landfill -arsenic, polychlorinated biphenyls in groundwater and Yeoman Creek

## **DUMPS CONTAMINATING OUR WATER - all are closed unless indicated**

### **INDIANA**

#### **ELKHART**

Himco Waste-Away Services Dump - volatile organic compounds in drinking water wells

#### **KOKOMO**

Continental Steel Corporation - heavy metals and volatile organic compounds in groundwater

#### **MICHIGAN CITY**

1994 - Residents living near the Waste Inc. Dump Superfund cleanup site will be given blood tests. State health officials fear they have been eating tainted fish from a nearby creek.

#### **PINES**

Yard 520 Landfill - chemical contamination of drinking water wells

### **IOWA**

#### **DES MOINES**

Toxic waste dump beneath North High School - carcinogenic chemicals in groundwater

### **KANSAS**

#### **ARKANSAS CITY**

Arkansas City Dump – polycyclic aromatic hydrocarbons in groundwater and flood plain of Arkansas River

#### **HUTCHINSON**

Obee Road & East Fourth Avenue (volatile organic compounds in drinking water aquifer)

### **LOUISIANA**

#### **NEW ORLEANS**

Agriculture Street Dump - DDT, arsenic, lead, mercury, barium in groundwater

### **MAINE**

#### **FAIRFIELD CENTER**

Central Maine Disposal Pits - arsenic, mercury, methylene chloride in groundwater

#### **GRAY**

McKin Company Disposal Site - volatile organic compounds in drinking water wells

#### **LORING AIR FORCE BASE**

Landfills throughout 9,000 acres - volatile organic compounds, heavy metals in groundwater

#### **SACO**

Saco Tannery Waste Pits - arsenic, volatile organic compounds, heavy metals in groundwater  
Saco Municipal Landfill - volatile organic compounds, heavy metals in Sandy Brook

## **DUMPS CONTAMINATING OUR WATER - all are closed unless indicated**

### **WELLS**

Wells Municipal Dump - volatile organic compounds in groundwater

### **WINTHROP**

Winthrop Landfill, Savage Landfill - volatile organic compounds in drinking water aquifer

## **MARYLAND**

### **BALTIMORE**

Kane & Lombard Toxic Waste Dump - carcinogenic chemicals in groundwater

## **MASSACHUSETTS**

### **ASHLAND**

Nyanza Chemical Waste Dump - carcinogenic chemicals in groundwater

### **ATTLEBORO**

Shpack Dump, and adjacent Attleboro Landfill - volatile organic compounds and radioactive waste in groundwater

### **BERKLEY**

Bogs Landing Dump shares 72-acre property with cranberry bogs

### **BILLERICA**

Shaffer Landfill - benzene and arsenic in Middlesex Canal

### **CANTON**

Tokarenbe Farm Superfund Site - polychlorinated biphenyls in groundwater

### **CARVER**

North Carver Landfill - volatile organic compounds in groundwater

### **DEVENS**

Fort Devens Army Base Landfill on Nashua River - carcinogenic chemicals in groundwater.

### **LOWELL**

Silresim Dump - carcinogenic chemicals in groundwater and tributary of Concord River

### **NORTH ADAMS**

North Adams Landfill - volatile organic compounds in groundwater

### **NORTH ATTLEBORO**

North Attleboro Landfill – volatile organic compounds in Rattlesnake Brook, a tributary of Tenmile River

### **NORTON**

Shpack Dump - volatile organic compounds and radioactive waste in groundwater

Attleboro Landfill - volatile organic compounds and radioactive waste in groundwater

## **DUMPS CONTAMINATING OUR WATER - all are closed unless indicated**

### **PITTSFIELD**

General Electric Landfill - polychlorinated biphenyls in Housatonic River

### **PLYMOUTH**

Manomet Landfill - volatile organic compounds in Plymouth Carver Aquifer

### **TAUNTON**

Cohen Property – volatile organic compounds in groundwater

### **WALDEN WOODS**

Landfill on Walden Pond

### **WILMINGTON**

Olin Chemical Dump - carcinogenic chemicals in drinking water wells

### **WOBURN**

W. R. Grace Dump - volatile organic compounds in drinking water wells

## **MICHIGAN**

### **DAVISBURG**

Springfield Township Dump - volatile organic compounds in groundwater

### **FOREST TOWNSHIP**

Forest Waste Products Dump - carcinogenic chemicals in groundwater

### **FOWLerville and HANDY TOWNSHIP**

Hogback Road Landfill - volatile organic compounds in drinking water wells

### **HOWELL**

Lucy Road Dump - carcinogenic chemicals in drinking water wells

### **SHELBY TOWNSHIP**

G & H Chemical Pits - contaminated groundwater is treated and released into Clinton River

### **WYANDOTTE**

South Works Dump - mercury, polynuclear aromatics, chlorinated hydrocarbons in groundwater

## **MINNESOTA**

### **NORTHERN TOWNSHIP**

Kummer Landfill - volatile organic compounds in drinking water aquifer

### **WHITE BEAR TOWNSHIP**

Highway 96 Dump - volatile organic compounds in groundwater

## **DUMPS CONTAMINATING OUR WATER - all are closed unless indicated**

### **MISSOURI**

#### **WELDON SPRING**

U. S. Department of Energy Radioactive Dump - TNT in drinking water wells

### **NEW JERSEY**

#### **BERKELEY TOWNSHIP**

South Brunswick Asphalt Landfill - volatile organic compounds in groundwater

#### **BRICK TOWNSHIP**

Brick Landfill - cadmium, volatile organic compounds in groundwater

McCormick Dump - cadmium, volatile organic compounds in groundwater

#### **EDISON**

U. S. Army Raritan Arsenal (1917 to 1963) - volatile organic compounds, metals in groundwater

#### **GALLOWAY TOWNSHIP**

Mannheim Avenue Dump - trichloroethylene, toluene, lead in drinking water aquifer

#### **GLOUCESTER TOWNSHIP**

Gloucester Environmental Management Services (GEMS) Landfill - volatile organic compounds in groundwater, Holly Run Stream and Briar Lake

#### **OCEAN TOWNSHIP**

M & T Delisa Landfill - arsenic, methyl chloride, metals in aquifer

#### **PEMBERTON TOWNSHIP**

Fort Dix Landfill - volatile organic compounds, metals in Kirkwood-Cohansey Aquifer

#### **PITMAN**

Lipari Landfill - volatile organic compounds in Alcyon Lake and Cohansey Aquifer

#### **PLEASANTVILLE and EGG HARBOR TOWNSHIP**

Price's Pit Landfill - carcinogenic chemicals in drinking water wells

#### **SAYREVILLE**

Sayreville Landfill II & III - volatile organic compounds in South River

Edgeboro Landfill - volatile organic compounds in South River

Edison Landfill on Raritan River

Kin-Buc Landfill on Raritan River

ILR Landfill on Raritan River

Horseshoe Road Drum Dump- volatile organic compounds, heavy metals, pesticides, polychlorinated biphenyls in wetlands on Raritan River

Sayreville Pesticide Dump - volatile organic compounds, heavy metals, Pesticides, polychlorinated biphenyls in wetlands on Raritan River

#### **TOMS RIVER**

Ciba-Geigy Chemical Dump - volatile organic compounds in drinking water wells

## **DUMPS CONTAMINATING OUR WATER - all are closed unless indicated**

### **WEST DEPTFORD TOWNSHIP**

Matteo Iron & Metal Dump - volatile organic compounds in groundwater and Hessian Run

## **NEW YORK**

### **DOBBS FERRY**

Mercy College Landfill - volatile organic compounds, polycyclic aromatic hydrocarbons in groundwater and Hudson River

### **ENDICOTT**

Old Village of Endicott Dump - carcinogenic chemicals in drinking water aquifer

### **HYDE PARK**

Jones Sanitation Dump - heavy metals, volatile organic compounds in groundwater

### **LOVE CANAL (renamed BLACK CREEK VILLAGE)**

Hooker Chemical Dump - carcinogenic chemicals in groundwater

### **MONROE**

Rush Landfill - volatile organic compounds in groundwater and Genesee River

### **NEW YORK CITY - BRONX**

Ferry Point Park (414-acre landfill) on Westchester Creek and East River

Pelham Bay Municipal Dump on Eastchester Bay

Orchard Beach on Long Island Sound

### **NEW YORK CITY - STATEN ISLAND**

Fresh Kills Landfill and Brookfield Landfill (3,000 acres) - volatile organic compounds, mercury in wetlands and groundwater

### **SIDNEY**

Richardson Hill Road Landfill and adjacent Sidney Landfill - volatile organic compounds in groundwater and Herrick Hollow Creek

### **VESTAL**

BEC Trucking Dump - volatile organic compounds in groundwater

## **LONG ISLAND - three aquifers are the sole source of drinking water**

### **EAST HAMPTON**

Montauk Landfill - on top of aquifer that supplies drinking water to East Hampton

### **ISLIP**

Islip Municipal Sanitary Landfill - volatile organic compounds in Magothy Aquifer

### **NORTH HEMPSTEAD**

Port Washington Landfill - volatile organic compounds in groundwater and Hempstead Harbor

## **DUMPS CONTAMINATING OUR WATER - all are closed unless indicated**

### **OYSTER BAY**

Syosset Landfill - volatile organic compounds in drinking water wells

Old Bethpage Landfill - above Magothy Aquifer, a major source of drinking water

### **SOUTHAMPTON**

North Sea Municipal Landfill - carcinogenic chemicals in drinking water aquifer

### **UPTON**

Brookhaven National Laboratory dumps - carcinogenic chemicals in drinking water wells

## **NORTH DAKOTA**

### **MINOT**

City of Minot Landfill - volatile organic compounds in groundwater

## **OHIO**

### **CINCINNATI**

Center Hill Landfill - carcinogenic chemicals in groundwater and Mill Creek

### **DAYTON**

North Sanitary Landfill - volatile organic compounds in drinking water wells

### **ELYRIA**

Ford Road Industrial Landfill - volatile organic compounds in groundwater and Black River

### **FERNALD**

Feed Materials Production Center - radioactive waste in drinking water

### **MARION**

World War II Army Dump - volatile organic compounds, polychlorinated biphenyls, dioxins, heavy metals in groundwater

### **MIAMISBURG**

Department of Energy Mound Plant - plutonium-238, thorium-232 in Buried Valley Aquifer

### **TIFFIN**

Tiffin Dump - volatile organic compounds in groundwater and Sandusky River

### **TRENTON**

City of Trenton Landfill on Little Miami River

### **UNIONTOWN**

Industrial Excess Landfill - volatile organic compounds in groundwater

## **PENNSYLVANIA**

### **MILLCREEK TOWNSHIP**

Harper Drive Dump - volatile organic compounds, copper, lead in wetlands and groundwater

## **DUMPS CONTAMINATING OUR WATER - all are closed unless indicated**

### **ORMROD**

Heleva Landfill - volatile organic compounds in drinking water wells and Coplay Creek

### **PHILADELPHIA**

Enterprise Avenue Dump - carcinogenic chemicals in groundwater

### **POTTSTOWN**

Occidental Chemical Corp. Landfill - volatile organic compounds in flood plain of Schuylkill River

### **RICHLAND TOWNSHIP**

Watson Johnson Landfill - carcinogenic chemicals in groundwater

### **SCHUYLKILL TOWNSHIP**

Phoenixville Borough Landfill - volatile organic compounds in drinking water wells

### **UPPER MERION TOWNSHIP**

Tyson's Chemical Waste Dump - volatile organic compounds in groundwater and Schuylkill River

## **RHODE ISLAND**

### **BARRINGTON**

Barrington Landfill #4 - volatile organic compounds in groundwater

### **PROVIDENCE**

Button Hole Dump - volatile organic compounds in Woonasquatucket River

Providence Dump - volatile organic compounds and polychlorinated biphenyls in groundwater

## **SOUTH CAROLINA**

### **GAFFNEY**

Cherokee County Landfill - volatile organic compounds in groundwater

## **TENNESSEE**

### **DICKSON**

Dickson City/County Dump - trichloroethylene in drinking water wells

### **TOONE**

Velsicol Chemical Company Landfill - carcinogenic chemicals in drinking water wells

## **TEXAS**

### **AUSTIN**

Brinkley-Anderson Landfill - arsenic, cobalt, selenium, mercury, titanium in groundwater

Saint Edwards Landfill - alpha benzene hexachloride, toxaphene, lindane in groundwater

Jefferson Chemical Company Dump - benzene, toluene, naphthalene in groundwater

### **HOUSTON**

Gulf Waste Oil Pits - polycyclic aromatic hydrocarbons in drinking water wells

## **DUMPS CONTAMINATING OUR WATER - all are closed unless indicated**

### **SAN ANTONIO**

West Avenue Landfill - carcinogenic chemicals in Edwards Aquifer

### **VERMONT**

#### **SPRINGFIELD**

Springfield Landfill - benzene, vinyl chloride in groundwater

#### **CHARLOTTESVILLE**

Ivy Landfill - carcinogenic chemicals in groundwater

### **WASHINGTON**

#### **SPOKANE**

Northside Landfill - volatile organic compounds in drinking water wells

Wellpinit Indian Reservation uranium mine - radioactive waste in streams that feed Spokane River

### **WISCONSIN**

#### **MOSINEE**

Gorski Landfill - volatile organic compounds in drinking water wells

#### **MUSKEGO**

Muskego Sanitary Landfill - volatile organic compounds in drinking water wells

#### **STOUGHTON**

Hagen Farm - carcinogenic chemicals in groundwater

#### **WHITELAW**

Lemberger Landfill - volatile organic compounds in drinking water wells and Branch River
